About ABA

Founded in 2008, ABA started as a temperature controlled transport provider. In 2016, it entered the cold storage business through the acquisition of a cold storage facility in Hanoi with around 12,000 pallet positions. The company is now rapidly evolving towards providing an integrated cold chain logistics service to the Vietnam market.

ABA's transport business is divided into three key business segments: (a) temperature controlled transportation services; (b) delivery services; and (c) distribution services. ABA's cold storage provides cold storage, crossdocking and other value added services.

ABA provides integrated cold chain solutions for products in which temperature control, speed and safety are crucial factors of success. The products include: pharmaceuticals, meats, fruit, vegetables, dairy products and frozen goods. ABA is committed to provide satisfactory services and form strong and lasting partnerships with their customers with cost competitive, mutually beneficial cold chain solutions.

The company's competitive edge is a dedicated management team with a commitment to flawless integrity with delivering and storing the right product, at the right time and the right temperature.

ABA is serving several of the largest modern trade retail and consumer goods companies in Vietnam including: Big C, VinMart, METRO, Unilever, and BEL.
